

Minutes – PA Meeting 1/20/16 (Submitted by Julie Subrin)

[Please note: I accidentally left my PA notebook with the minutes from this meeting in an auditorium and was unable to recover it. The minutes below are incomplete, and based on memory. My apologies. –Julie]

Meeting called to order

Minutes reviewed: The treasurer asked that the note under the treasurer’s report that states “It was noted that, going forward, the balance in the Treasurer’s Report should reflect all outstanding checks issued in addition to checks cashed” is not correct and should be struck from the minutes.

Minutes approved with that correction.

President’s Report (Indira)

Treasurer’s Report (Val) - Current balance is \$25,260.66. This includes \$10,000 which we are holding for the chess team.

Supply Closet Update (Val) –The supply closet was recently refilled. Teachers checked out supplies very quickly. Not all the teachers knew that the closet was funded by the PA. Val told them the PA would be grateful if the teachers attended or participated in more PA events to show their support.

Valentine’s Day Fundraiser (Val) PA is planning a “Fill the School with Love” fundraiser. We will sell hearts with names (small - \$2) or with a whole class name or message (big - \$3), and post the hearts in the lobby. If the fundraiser is popular, we will extend it beyond Valentine’s Day. Hope to get teachers involved. Rona volunteered to help cut hearts.
